Education

2024 - 2025 **St. Clair College**, Windsor, Ontario | **Computer Programming** (Expected Graduation: April 2025)

2005 - 2011 **Donetsk National Technical University**, Ukraine | Bachelor's degree in **organizational management** (2006-2011)

Experience

August 2024 - till now

Front-End Developer / UX/UI Designer
GetMechanic – Startup

- Designed wireframes, user flows, and prototypes in Figma to optimize user journeys.
- Developed the platform's website using HTML, CSS, JavaScript, PHP (Laravel), and MySQL.
- Collaborated with a cross-functional team to connect users with car services effectively.

January 2025 - till now

UX/UI Designer / Web Developer
Co-op Project – Pie Bakery

- Collaborated with a team of developers to design and build a website for a local bakery.
- Designed wireframes and branding elements (logo, color palette) to enhance the bakery's digital presence.
- Created the bakery's logo and branding using Adobe Photoshop.
- Built the website using HTML, CSS, JavaScript, and GitHub to make it live.

July 2020 – December 2024

Photographer (Freelance & Real Estate)

- Took photos of real estate properties and created high-quality listings.
- Worked on freelance projects, including product and lifestyle photography.
- Improved composition, lighting, and storytelling skills for design. See my portfolio: [@daria.wind_photography](https://www.instagram.com/daria.wind_photography).

September 2024 – November 2024

Web Developer / Designer
Google Developers Group

- Created visually appealing layouts in Figma and prioritized user-friendly interfaces based on feedback.
- Built and deployed a responsive website (<https://wedevfest.com>) for a developer community.
- Prioritized user-friendly design and accessibility, receiving positive feedback for functionality and aesthetics.

September 2023 – December 2023

UX/UI Designer | ServiceScout Project

- Created wireframes, user flows, and prototypes in Figma for a service platform.
- Conducted research to understand user needs.
- Shared the project on Behance (<https://www.behance.net/gallery/214184579/ServiceScout-UXUI-Project>).
